WORK EXPERIENCE

Tutor

SAT/ACT & General Schoolwork

Tacoma, WA

Jan. 2021 - Aug. 2021

- Individually worked with students to enhance understanding of college-level concepts and provided assistance for homework
- Created specialized lesson plans to prepare students for the SAT/ACT focusing on test taking skills and forming a solid foundation of knowledge

LEADERSHIP & COMMUNITY INVOLVEMENT

Point Defiance Zoo & Aquarium, *Youth Volunteer*

Mar. 2021 - Aug. 2021

- Welcomed visitors and provided opportunities for further learning through detailed explanations of the origins of animals and the characteristics of each
- Supervised and informed use of the 'touch tanks' of anemones, rays, and starfish
- Educated visitors on the current conservation efforts in progress as well as conservation projects available to the public

Tacoma Youth Symphony, *Student Volunteer*

Sept. 2018 - May 2021

- Assisted younger members in the symphony with blend, tuning, and stylistic choices throughout rehearsals
- Aided in the understanding of both the instrument and the entire orchestra through individual interactions focusing on instrumental facility as well as cohesion within the symphony

Safe Schools Ambassadors Program, *Student Ambassador*

Sept. 2020 - June 2021

- Received training to identify types of violence and bullying within schools and the methods required to de-escalate potentially dangerous situations
- Met bi-weekly with advisors to recount actions taken and discuss further action and potential administrative action in conjunction with continued training
